# The WITI Foundation

## 2004 HALL OF FAME NOMINATION FORM

In June of 1996, the WITI Foundation launched the annual WITI Hall of Fame to honor, promote and recognize the outstanding contributions women make to the scientific and technological communities, as well as to society. The Hall of Fame culminates each year in a spectacular induction ceremony held during WITI's 2004 National Conference and attended by leaders from academia, government and industry.

2004 Hall of Fame recipients are chosen by an independent panel of judges and notified in March 2004.

Hall of Fame Award recipients include women who have made outstanding contributions based on one or more of the following criteria:

1. Directly made an exceptional contribution to the advancement of science and/or technology.
2. Facilitated and created programs which motivated young women to choose careers in science and technology.
3. Enabled and encouraged other scientific and technical women to advance in their careers.
4. Created scientific or technological innovations which promote environmental harmony, support humanitarian endeavors or improve the human condition.

All Hall of Fame candidates must be nominated by a second party in order to receive consideration. The WITI Foundation will accept only three nominations per organization or individual. All nominations must include:

- ▼ A completed nomination form.
- ▼ A color photo of the nominee (a 5" x 7" headshot is the preferred format).
- ▼ A one-page biography (350 word limit).
- ▼ Two letters of recommendation or support.
- ▼ Five copies of packages for the judges (only one photo).

**Please provide as much information as possible when completing the form.**

The deadline for submission is February 1, 2004.

Submissions can be mailed to:

The WITI Foundation  
Hall of Fame  
2004 Nominations  
6345 Balboa Blvd., Suite 257  
Encino, CA 91316
