WOMEN IN TECHNOLOGY FOUNDATION

presents

THE 10TH ANNUAL WITI HALL OF FAME

Every year, the Women in Technology Foundation holds its annual WITI Hall of Fame event, as a fund raiser to raise awareness of the accomplishments of women in science & technology and to encourage young girls and women to pursue careers in technology and become technology literate. The winners of WITI's Hall of Fame are extraordinary women who stand as important role models for the next generation of women.

On December 8th at 7 PM in the San Jose Doubletree Hotel, the WITI Foundation celebrates the WITI Hall of Fame 10th anniversary, recognizing extraordinary women in science and technology, selected by a panel of independent judges, who stand as role models for the next generation of women.

Please join us in demonstrating our support and respect for these women's notable achievements by attending and buying tables for the women and men in your company, your customers, your friends and your colleagues.
